

La nueva generación de juguetes y juegos de madera de ANDREU TOYS, apuestan por una educación inclusiva y con la clara intención de favorecer y promover la diversidad. Fomentan la diversión durante el juego, el entretenimiento y el aprendizaje para niñ@s que tengan o no, algún tipo de diversidad funcional. Nuestros juguetes educativos, están fabricados con materias primas ecosostenibles y de alta calidad.

Des de 1973 creamos y comercializamos juguetes y juegos educativos de madera, simples, sólidos, seguros, y cuya materia prima proviene de árboles autóctonos, los cuales no contienen tratamiento químico y tienen una larga vida útil.

ANDREU TOYS no solo ofrece juego y diversión, sino que estimulan sensorial y cognitivamente y por su durabilidad se transforman en juguetes para recordar, de esos que se atesoran para siempre.

Todos los artículos cumplen con las estrictas normas de seguridad EN71 de la CEE.

The new generation of Andreu-toys wooden toys and games are committed to an Inclusive education with the clear intention on promoting the diversity. They encourage the fun on playing, the entertainment and the learning for children who have or not, some kind of functional diversity. Our educational toys are manufactured with eco-sustainable and high quality raw materials.

Since 1973 we create and commercialize wooden toys & educational games, simple, solid, safe, and whose raw material comes from native trees, which do not contain chemical treatment and have a long useful life.

ANDREU TOYS not only offers play and fun, but they stimulate sensory and cognitively and because of their durability they become toys that keep a memory, of those that are treasured forever.

All items comply with the strict safety standards EN71 of the CEE.
